APPLICATION FOR FUND MANAGER

*TERMS AND CONDITIONS APPLIED

DISCLAIMER

Terms and Conditions is an agreement that includes the terms, the rules and the guidelines of acceptable behavior and other useful sections to which fund manager must agree in order to use PAMM (Percentage Allocation Management Module) access in UAGTRADE.

By accepting and using PAMM (Percentage Allocation Management Module) access in UAGTRADE, it is implicit that you (User) have read, understood and agreed to be bound by the terms and conditions contained herein.

If you do not wish to bound by these terms and conditions of PAMM, UAGTRADE will not hesitate to terminate and revoke your fund manager title or position and your PAMM account. UAGTRADE will not bear any responsibility for any loss if you refuse to comply with the instructions and requirements stated.

REQUIREMENTS (FUND MANAGER)

Fund Manager is responsible to implement fund's investing strategy and managing its trading activities in order to avoid any blown trading account. A fund can be managed by one person, by two people as co-managers, or by team of three or more people. With the access of the PAMM service in UAGTRADE, Fund Manager will be allocated with 10 USD per lot, paid by our commission and profit sharing system in percentage of the fund's average assets accordingly. Below are the requirements for the application of the fund manager:

REQUIREMENTS (FUND MANAGER)

1. Fund manager must have at least **1 year** of their **own** portfolio and trading record history (individual or group of company) with regulated web terminal trading journal such as(MQL5, Myfxbook, Tradingview or others) as a proof of performance for us to review. This trading record or journal must be attached when apply for fund manager position.
2. With reliable and systematic UAGTRADE 's commission and profit sharing system, the PAMM account strictly cannot be a **personal** account, means that fund manager cannot use a **proxy** account to take advantage of PAMM account to obtain individual commission and profit sharing due to conflict of interest.

REQUIREMENTS (FUND MANAGER)

3. A trial of **3 months** will be given to fund manager to achieve at least minimum **\$50,000 USD** of accumulated fund to be managed. With these minimum of funds stated, we want to make sure that the PAMM account will be running consistently without failure since the investor expect to see returns over the long term.
4. Within this 3 months trial period given, starting from UAGTRADE's management approval, the PAMM account must have at least a total of **5 different investor** or more.
5. Any individuals or company whom interested to become a fund manager must contact and collaborate with one of our established **MIB**, As MIB is the one who responsible to submit fund manager application for UAGTRADE's approval.

TERMINATION OF PAMM (FUND MANAGER)

- **In the case of any clause (1),(2),(3),(4) and (5) is not fulfilled, UAGTRADE has the right to terminate and revoke your fund manager title or position and your PAMM account.**
- **In the situation where fund manager fail to comply any of the clause, termination of the PAMM account will be notified by email within 2 weeks after 3 months trial period.**
- **UAGTRADE will not bear any responsibility for any loss if you refuse to comply with the instructions and requirements stated.**

THANK YOU
